The Imagery Award

WHERE

District Events
Regional Competitions
District Championships
FIRST Championship
Division

WHAT

Celebrates attractiveness in engineering and outstanding visual aesthetic integration of machine and team appearance.
(5 ranking points)

HOW

Integrated theme into appearance of machine and team is exceptional

Supportive of the FIRST Core Values

Theme is original, can be explained by a team spokesperson, and is fitting to the objectives, character, and/or history of the team.

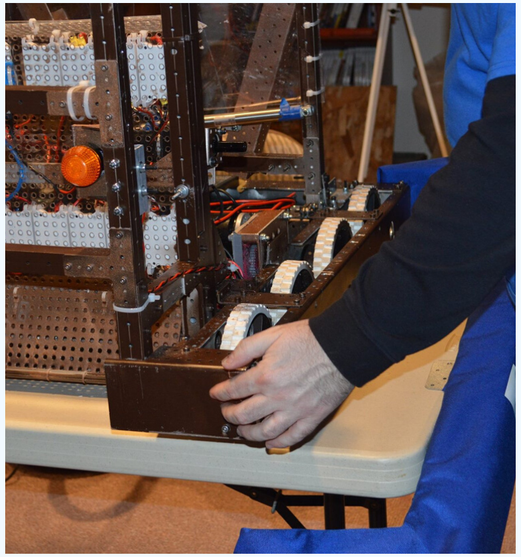
Integrated theme

PIT

Cohesive look, neat appearance, embodies FIRST principles; safety

TEAM

Uniform both on and off the field; Integrates theme



ROBOT

Thematic elements

PIT

Uniform and cohesive design; follows FRC event rules; creative display of sponsors, safety; highlights themes, core values

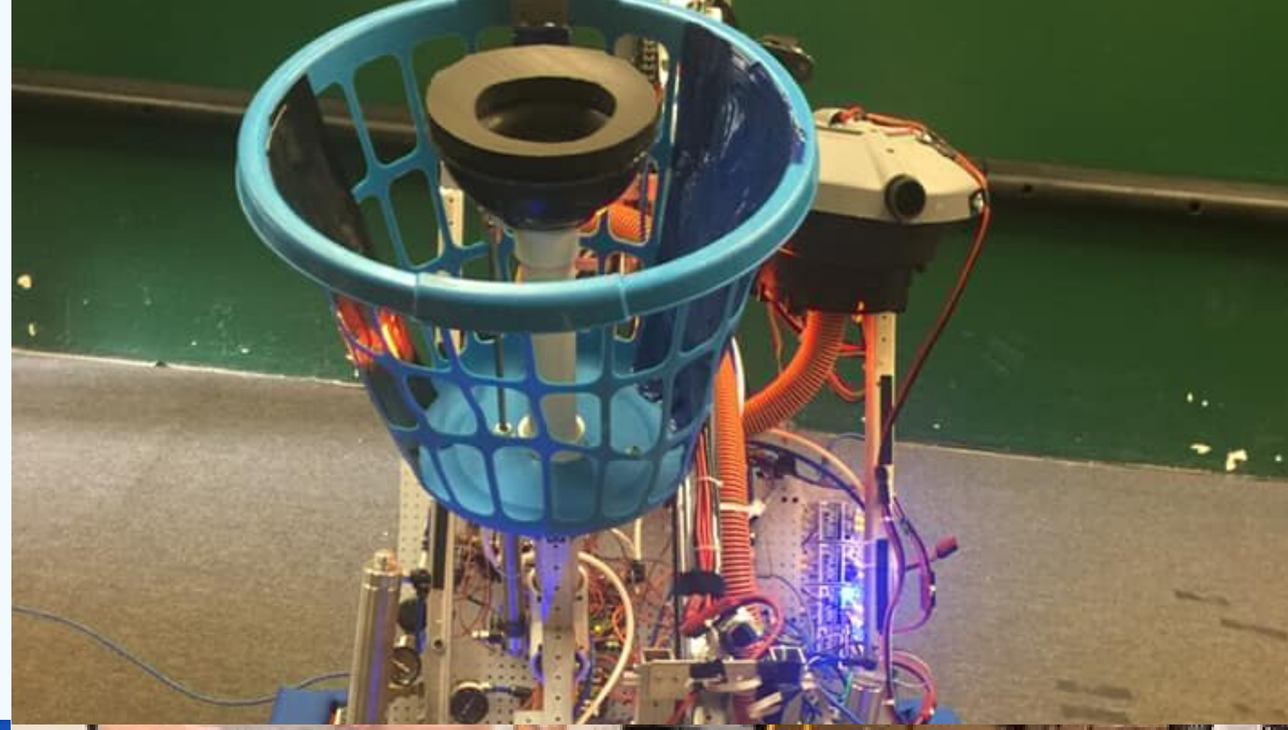
Imagery | Team 5830

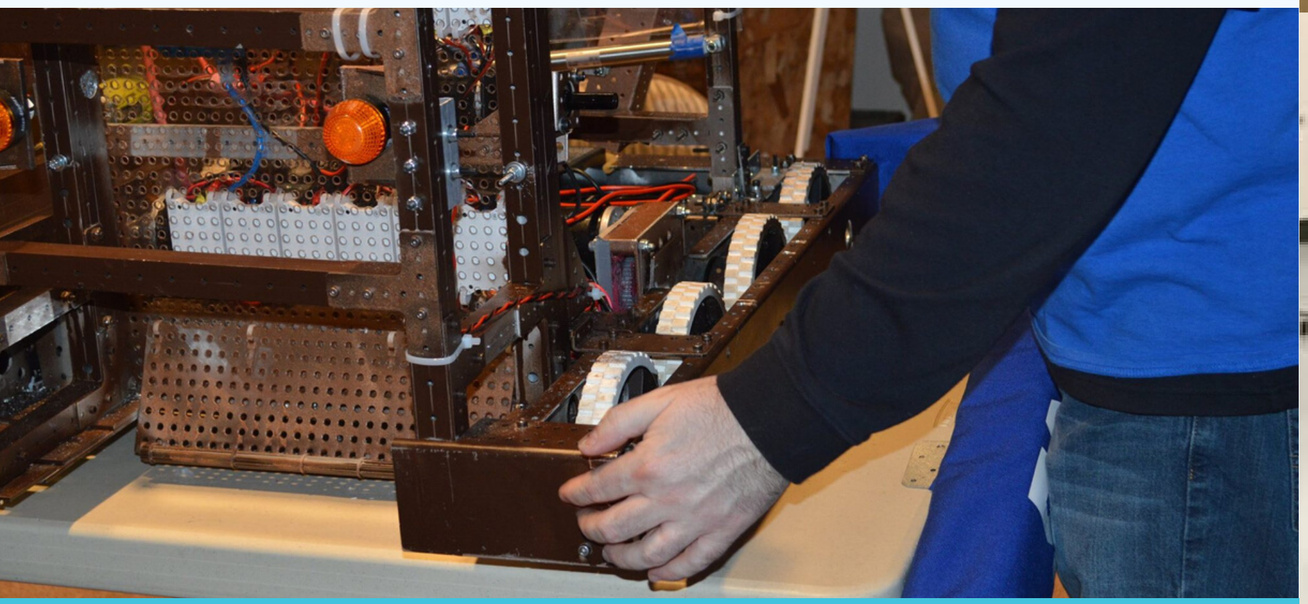
TEAM

Standard uniform for on and off the competion field

ROBOT

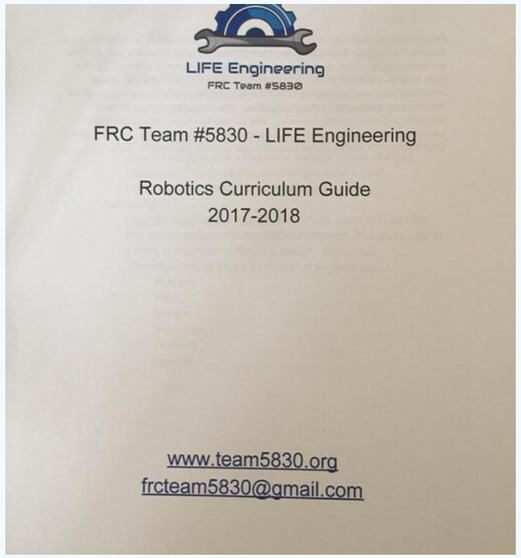
Elements of the team design and theme





Imagery | Team 5830

CORE VALUES



ALL SEASONS

Integrate core values year-round

INTEGRATE VISUALLY

Pit design

COMMUNICATION

Review every meeting

SPOKESPERSON

RELAYS THEME AND CONNECTION WITH TEAM

Have more than one spokesperson
Create a cheat sheet
Write an elevator speech
Know the history of the team
Describe how robot works
Know the theme well
Know the core values and how they relate to the theme and team

Imagery | Team 5830h

WHAT ELSE?
TEAM SUPPORT

Signs, cheering items.

EYES ARE ALWAYS ON

You can have the "look" and "talk," but your team must "walk" out the core values on and off the field, in the line at concessions, at the pit, loading and unloading, talking with other teams, cheering other teams.
